|                        | Other desired conditions, points to be aware of when working |                     |                        |              |                           |  |

Based on "Law Concerning the Protection of Personal Information", we treat it as follows.

1. Personal information stated on the form will be used as reference for employment placement.
2. It is not used for purposes other than employment placement.
3. The correction, disclosure, and suspension of personal information will be handled based on the "Personal Information Protection Law".
4. We will only tell the minimum amount of information to the recruiters.

I agree to offer personal information to recruiters.
